2. Citizen Communications The City Council welcomes public comments at this point on any issue. If the issue is listed on the agenda, the speaker may choose to comment during the Public Comment period or when the specific agenda item is taken up by the Council later in the meeting. The Council cannot respond to or discuss matters not listed on the agenda. The Council may provide factual information, refer the item to a staff member, or request the item be added to a future meeting agenda. Speakers shall limit their comments to five (5) minutes each.

Mayor Vaughan opened the meeting for public comments. Randy Lee (6 Rocky River Cove) provided a legislative update to the Council on a bill that has been filed regarding ash juniper (cedar) trees. **Hearing no further comments, the public comment section was closed.**

3. Consent Agenda All Consent Agenda items listed are considered to be routine by the City Council and will be enacted by one (1) motion. No separate discussion or action on any of the items is necessary unless requested by a Council Member.
- a. Approval of the February 26, 2025 Regular Meeting Minutes.
 - b. 704 Rocky River Road - Consider action to approve with conditions a Replat of Lot 1R, a replat of portions of Lot 1 and 2 of the White & Murdock Subdivision and 0.40 acres of the Wilkinson Sparks Survey Number 4, Abstract Number 21, within the city limits (Section 36.01.018 of the West Lake Hills Code).
 - c. 1502 Harbor View Drive - Consider action to approve a license to encroach agreement for irrigation, landscape and driveway improvements in the Harbor View Drive right-of-way (Section 34.01.001 Streets, Sidewalks, and Other Public Ways; Authority).

MOTION: Upon a motion made by Councilmember Harmon and a second by Councilmember South, the Council voted three (3) for and none (0) opposed to approve the Consent Agenda as presented. Motion carried.

The meeting was suspended at 7:08 p.m.

The meeting was reconvened at 7:25 p.m.

5. **Land Use 717 1/2 Yaupon Valley Road** - Discuss and consider action on a recommendation from ZAPCO on following variances:

1. Encroachment into all setbacks where 100 feet is required (Section 18.02.033(a): Dimensional Standards for Water Storage Tanks).
2. Tank height of 60 feet where 30 feet is the maximum (Section 18.02.034: Design and construction of potable water tanks).
3. Removal of three ash juniper (cedar) trees; #103 - 14 inch, #106 - 20 inch, #121 - 15 inch; 14 inches or greater (Section 22.03.304(a)(4): Removal of trees 14" or greater);

for the installation of a water storage tank for Travis County Water Control and Improvement District 10. Applicant: James McDermott, Dannenbaum Engineering - Austin LLC.

MOTION: Upon a motion made by Councilmember Walker and a second by Councilmember South, the Council voted three (3) for and none (0) opposed to approve the variances as requested. Motion carried.

The meeting was suspended at 7:26 p.m.

The meeting was reconvened at 7:53 p.m.

6. **Land Use 413 Ledgeway Ridge**- Discuss and consider action on a recommendation from ZAPCO on proposed variances for the removal of six (6) trees:

- #339 - a 19-inch double trunk live oak
- #342 - a 17-inch double trunk ash juniper (cedar)
- #346 - a 23-inch double trunk ash juniper (cedar)
- #2407 - a 25-inch double trunk ash juniper (cedar)
- #2420 - a 17-inch triple trunk ash juniper (cedar)
- #2437 - an 18-inch live oak

with trunk diameters of 14 inches or greater (Section 22.03.304 of the West Lake Hills Code). Applicant: Emily Haydon, LaRue Architects.

Director Bills gave a brief summary. Four letters of support were received from neighbors. ZAPCO recommends denial and staff recommends approval. Jim LaRue (architect) stated that the driveway and slope are driving these requests.

MOTION: Upon a motion made by Councilmember Walker and a second by Councilmember Harmon, the Council voted three (3) for and none (0) opposed to approve the variances as requested. Motion carried.

7. **Land Use 502 Spiller Lane** - Discuss and consider action on a drainage waiver to allow a Type I submittal instead of the required Type III submittal (Section 22.03.511(d) of the Code of Ordinances).

MOTION: Upon a motion made by Councilmember Harmon and a second by Councilmember Walker, the Council voted three (3) for and none (0) opposed to postpone until the April 9, 2025 meeting. Motion carried.

4. Finance Discuss and consider acceptance of the FY 2023-24 Financial Audit.

April Charlebois with Singleton, Clark & Company provided an overview of highlights from the annual audit. Those included:

- page 1 - Independent Audit Report - The City received an unmodified opinion (clean report)
- page 20 - Reviewed the Balance Sheet
- page 25 - Reviewed the Statement of Revenues, Expenditures, and Changes in Fund Balance
- page 75 - Schedule of Findings and Questioned Costs - in the Summary of Auditor's Results, the auditor issued an unmodified opinion

MOTION: Upon a motion made by Councilmember Harmon and a second by Councilmember South, the Council voted three (3) for and none (0) opposed to accept the audit. Motion carried.

8. Administration Discuss and consider approving a quote from McCoy Rockford for the purchase of furniture, fixtures and equipment for the new municipal complex.

Item was postponed.

9. Executive Session In accordance with Texas Government Code, Section 551.001, et seq, the City Council will recess into Executive Session (closed meeting) to discuss the following:

- a. Section 551.071 - Consultation with the attorney regarding pending or contemplated litigation, or settlement offer; or on a matter in which the duty of the attorney to the governmental body under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with the Texas Open Meetings Act, re: City of West Lake Hills v. Jaffe - 1405 Wildcat Hollow; and
- b. Section 551.071 - Consultation with attorney regarding pending litigation for property located at 1414 Circle Ridge.

Council convened into Executive Session at 8:17 p.m.

10. Executive Session Reconvene into Open Session and take action if and as deemed appropriate in the City Councils' discretion regarding consultation with attorney.

Council reconvened in Open Session at 8:35 p.m. No action was taken.

11. Adjournment

MOTION: Upon a motion made by Councilmember Walker and a second by Councilmember Harmon, the Council voted three (3) for and none (0) opposed to adjourn the meeting at 8:37 p.m. Motion carried.

Respectfully submitted,

JAMES VAUGHAN, MAYOR

TOTAL AMENDED REVENUE - \$214,743.62

TOTAL AMENDED EXPENSES - \$165,739.81

ADDITIONAL PD ITEM – NO BUDGET INCREASE/AMENDMENT NEEDED THIS FISCAL YEAR DUE TO UNUSED SALARIES FROM VACANT POSITIONS WITHIN DEPARTMENT:

Lieutenant Mills is currently on the last matrix step for the Lieutenant rank. His anniversary date is July 25 and that is when a matrix step raise would normally occur. However, since there are no additional steps on the matrix, he will not get a step raise this year if the matrix isn't adjusted. I am recommending we modify the matrix for the Lieutenant rank to add an additional step. This additional step would increase the current last matrix step for Lieutenants by the same amount all non-matrix employees received this FY, 4%.

This would increase PD salary budget by \$920 for FY 24/25 and PD benefits budget by \$575 for a total impact of \$1,495 for FY 24/25 – **SEE ATTACHED MEMO FROM CHIEF GERDES FOR MORE INFORMATION.**

ORDINANCE NO. 2025-002

DATE: March 26, 2025
TO: City Administrator Trey Fletcher
FROM: Chief Gerdes
SUBJECT: Matrix Modification for Lieutenant Rank

Lieutenant Robert Mills joined the Police Department in July of 2018 and has been a valuable member of the command staff since joining our department. His knowledge, experience, and ability to motivate officers has been a great help over the years. In fact, he is one of the reasons the department is in such good shape right now. As we move into a new building, it is imperative that we keep Lieutenant Mills to help us navigate the transition. He is on the last matrix step for the Lieutenant rank. His anniversary date is July 25 and that is when a matrix step raise would normally occur. However, since there are no additional steps on the matrix, he will not get a step raise this year if the matrix isn't adjusted. Here is the current matrix – Lieutenant Mills is on step L11:

Lieutenant										
\$91,936	\$93,288	\$94,744	\$96,200	\$98,800	\$101,608	\$105,040	\$108,368	\$111,280	\$114,608	\$118,768
\$44.20	\$44.85	\$45.55	\$46.25	\$47.50	\$48.85	\$50.50	\$52.10	\$53.50	\$55.10	\$57.10

at promotion	end year 1	end year 2	end year 3	end year 4	end year 5	end year 6	end year 7	end year 8	end year 9	end year 10

I am working on an update to the entire salary matrix and will be presenting it during budget discussions, but I would like to see if we can make one adjustment earlier. I want to do this so Lieutenant Mills will have an additional step when his anniversary date rolls around in July. To do this, I would like to propose we add one additional step to the Lieutenant matrix effective immediately. Since all the non-matrix employees received a 4% raise this fiscal year, I would like to have this new step for the Lieutenant matrix be 4% over the current last step. Here is what the new proposed matrix for Lieutenant would look like with this change – if approved by Council, on 7/25/25 he would move to step L12:

Lieutenant											
\$91,936	\$93,288	\$94,744	\$96,200	\$98,800	\$101,608	\$105,040	\$108,368	\$111,280	\$114,608	\$118,768	\$123,552
\$44.20	\$44.85	\$45.55	\$46.25	\$47.50	\$48.85	\$50.50	\$52.10	\$53.50	\$55.10	\$57.10	\$59.40

(ATTACH EXHIBIT “A” – FINANCIAL PROCEDURES AND CONTROLS)

CITY OF WEST LAKE HILLS

FINANCIAL PROCEDURES AND CONTROLS

April 9, 2025

I. FINANCIAL POLICIES

The City should focus on prudent long-term financial policies which address key areas such as:

- long-term financial stability and accountability
- avoidance of deficit financing
- budgets based on realistic revenues and expenditures
- establishment of a fund balance policy
- competitive and value-based procurement

II. BUDGETING

Long-term financial plans and strategic planning should be linked to the budget process.

- the annual budget should be developed in terms of long-term solvency and sustainability
- the Mayor shall prepare and present the budget annually
- the Council should focus on policies, funding priorities at a macro level
- public involvement and transparent decision making is critical in the budget development
- modifications to the budget must be approved by Council and require timely updates

III. CASH MANAGEMENT

Collections and Receivables.

The City will invoice and collect all funds due on a timely basis.

- each department billing for services will create at a minimum a monthly invoice within five days of service provision (with the exception of the utility scheduled cycles)
- all invoices will be dated and numbered
- a copy of the invoice will be sent to the Finance Director and or the WW/Accounting Manager for entry and reconciliation
- the Finance Director will monitor the outstanding receivables and a second notice will be sent by Finance or the department that is responsible for the amount outstanding in 30 days
- aged receivables (over 60 days) will be reviewed with the City Administrator quarterly for further collection action
- if specific overdue fees are established for the City, those fees will be applied
- there will be a \$35 fee placed on all NSF checks received, in addition to any other fees

Cash Handling.

All funds collected by departments throughout the City's operations will be given to the Finance Director and or WW/Accounting Manager and deposited in the City depository bank on a weekly basis, at a minimum.

Any department which receives funds must assign an administrator to that receivables function and the name of the fund administrator reported to the Finance Director. All funds collected by each department will require a receipt attached or saved in the Finance folder for the deposit copy given to the Finance Director and/or the WW/Accounting Manager.

Change funds, the change fund administrator and the stipulated size of the change fund are established within departments and approved by the City Administrator. If a change fund is used in a department for making change to citizens, then the amount of that change fund must be reconciled monthly and reported to the Finance Director. The amount in change funds will be established based on historical activity for that department.

- change accounts must be reconciled at least on a monthly basis - responsibility and liability for the change fund rests with the administrator of that fund
- excess funds in any change fund is deposited with the Finance Director with full details/reconciliation
- numbered receipts shall be given for all City funds received
- all funds shall be maintained in a locked receptacle at all times
- if a deposit to City Hall cannot be made weekly, funds must be safely kept in a locked cabinet/safe and made as soon as possible
- access to the cabinet/safe used for deposits must be restricted and the names of all having access must be recorded by the administrator of that fund location with a copy to the Finance Director

Purchase Approval

Department heads shall ensure that expenditures are allocated to and paid from the correct budget accounts. It is the responsibility of department heads to assure that sufficient funds remain in the budget accounts to cover the expenditures. Over expenditures in any budgeted category are prohibited without prior consent by the City Administrator or Finance Director.

- the department head or their assignee must sign each request for payment
- the department head or their assignee will verify that funds are available for the purchase request
- request for payment should be forwarded to the Finance Department in a timely manner and such that any discount terms can be utilized
- if requested by the vendor, purchase orders are issued by the Finance Director or Accounting Manager and the department head or their assignee are responsible to verify that funds are available for the purchase

Emergency Purchases

Emergency Purchases are those procurements necessary due to a public calamity, a need to preserve or protect the public health or safety of the City's residents, unforeseen damage to public machinery, etc. When emergency purchases are made, the user department will make the purchase at the best possible price.

Emergency purchases in excess of \$50,000 will be accompanied by the appropriate contract documents, authorized by the City Administrator and ratified by the City Council. When City Council approval is necessary, a detailed explanation of the emergency will be included by the user department on the agenda request form.

The necessity for an emergency construction procurement does not waive insurance, bond, wage rate compliance or any grant related conditions, etc. where those requirements would otherwise apply.

Sole Source Purchases

State laws allow for a limited exemption from competitive bidding for the purchase of goods where the functional requirements of the City can be satisfied by only one source. This applies to purchases where competition is precluded such as:

- items that are available from one source because of patents, copyrights, secret processes or natural monopolies
- films, manuscripts or books published and available from only one source
- gas, electricity, water and other utility services
- captive replacement parts or components for equipment

Sole Source purchases are exempt from competitive solicitation. Departments should use their best professional judgement when selecting a vendor. Contracts or purchases over \$50,000 require City Council approval. When City Council approval is necessary, a detailed explanation of the sole source basis for the purchase will be included by the user department on the agenda request form.

Cooperative Purchasing

A Cooperative purchase is a procurement based on a contract that has been competitively bid and issued by another government or purchasing alliance with the intention of sharing it with other government entities. The use of Purchasing Cooperatives provides for volume discount pricing and expedited placement or orders.

Individual purchase orders may be processed using a Vendor's cooperative contract up to \$50,000 per year without City Council approval provided that the Vendor has presented to the City a valid quote referencing the cooperative contract number. Either a single or multiple purchase orders issued to a vendor for the same goods or services, using a cooperative contract in a amount that exceeds \$50,000 per year for the same goods or services will require City Council approval. The cooperative contract number must appear on the vendor's quote.

Grants Compliance

Once a Grant has been approved, expending approved grant funds requires the City to follow the Code of Federal Regulations, Title 2, Subtitle A, Chapter II, Part 200, Subpart D, Procurement Standards CFR 200.317 through 200.327. In most cases the City's purchasing thresholds are more conservative than the Federal purchasing thresholds, however purchasing guidelines for each grant are unique and must be reviewed in advance of collecting bids, proposals or quotes.

For Purchasing, please refer to the Governing Policies:

- Texas Local Government Code, Chapter 252.022
- Texas Municipal Procurement Laws Made Easy – TML 2023

- Code of Federal Regulations - Title 2 – Federal Financial Assistance, 2 CFR Part 200, Subpart D-Post Federal Award Requirements

Checking Account Controls

The City's checking account(s) shall be managed/reconciled by the Finance Director and/or the WW/Accounting Manager.

- all checking accounts will have positive pay service to protect the City from fraudulent checks
- vendors may require to receive City payments by ACH
- balances necessary to fund routine/recurring expenses shall be determined by the Finance Director based on operating expenses and encumbrances
- to avoid overdraft situations sufficient liquid cash shall be maintained as a liquidity buffer to pay for unforeseen expenses

Disbursement of Funds

The production of checks or ACH transfers is solely the responsibility of the Finance Director and/ or WW/Accounting Manager and no other checking accounts shall be established or used by any department.

- bank checking account shall be established for payment of all disbursements
- accounts which will not have more than six disbursements a month, should be styled as money market accounts to increase potential earnings
- debt service payments must be made (by wire or ACH), unless a check is required
- checks will be written at least weekly with a review of the check register by the Finance Director, WW/Accounting Manager or the City Administrator before printing
- available discounts in the payment of invoices shall be taken
- the City will move to increasing the use of ACH payments to all vendors to reduce costs and provide the best audit trail possible
- the check register (and listing of ACH debits) to be written from the general ledger system (InCode), will be reviewed against signed documents by the Finance Director, WW/Accounting Manager or the City Administrator
- release of checks will be made only after a balancing of the register and the actual checks
- Disbursement reports (check registers) are posted quarterly on the City's website
- checks shall require two electronic signatures or two manual signatures:
Any two of the following – Mayor, City Administrator, Finance Director, or Assistant City Administrator

Depository Bank

In accordance with state law (Local Government Code Chapter 105), the City will request 'bank applications', in the form of a Request for Proposal (RFP) for primary depository services (banks handling the primary accounts, collections and disbursements of the City) at least every five years. The proposals shall be competitively bid.

- approval by the Council shall allow the City to receive RFPs from banks within ten miles of City Hall to assure adequate banking alternatives
- a notice of the RFP shall be published no later than 21 days prior to the deadline for proposals in a local newspaper of general circulation
- the contract for banking services must be executed under the terms of FIRREA which requires approval by the Bank Board or Bank Loan Committee

- the contract must be approved by the City Council
- the bank shall provide pledged collateral as defined by the Investment Policy and in accordance with the Public Funds Collateral Act (Government Code 2257) and collateral must be in place before City funds are moved to the bank
- in a bank transition all funds should be transferred on a timely basis and no longer than 90 days
- transaction access to the bank must be limited and access reviewed at least annually
- bank fraud protection services (such as positive pay and ACH filters) will be used to protect City assets
- the Finance Director should meet with the depository bank, at least annually, to assure that the most cost-efficient services are being used

Financial Statement Reporting

The Finance Director shall prepare a comparative financial statement quarterly for timely presentation to Council. The written quarterly statement shall include, at a minimum:

- statements of budgeted and actual revenues
- expenditures in the general fund, debt service fund, and capital projects fund, and
- an investment report
- the quarterly statements will be distributed to the City Council as soon as available, but not later than the end of the succeeding month
- the Finance Director will brief the City Council each quarter on the financial condition of the City as reported in the statements
- if necessary, the Finance Director shall make quarterly adjustments to the financial statements and complete all required adjustments within ninety days after the close of the fiscal year
- adjustments to prior reports shall be presented to the Council at the following regular Council meeting
- monthly Revenue and Expense Reports are posted on the City's website

IV. FIXED ASSETS

General. Positive control over general fixed assets is needed to determine adequacy of insurance coverage, to safeguard assets, and to provide accurate disclosure in the City's financial statements. General fixed asset categories are:

- Land
- Buildings and improvements
- Furniture, Fixtures and Equipment
- Construction in progress

Fixed Asset Acquisition. A complete City fixed asset inventory shall be maintained by Finance with verification by each department at least annually.

- an asset acquired by the City having a useful life of more than one year and costing more than \$1,000.00 and all computers regardless of cost, shall be capitalized at cost
- cost shall include ancillary charges for freight, installation, set-up and other fees necessary to acquire or construct the asset
- a fixed asset expenditure shall be charged to the Capital Outlay account of the department incurring the expense and shall also be recorded in the General Fixed Assets Account Group

- if an expenditure does not materially add to the value of the asset or appreciably prolong its life, the expenditure should not be capitalized
- if an existing asset is replaced, the existing asset must be removed from the General Fixed Asset Account group and replaced by the new asset

Fixed Asset Retirement. All fixed asset retirement requests should be in writing, signed by the department head and be approved by the City Administrator or Finance Director.

- the approved request for the retirement of a fixed asset must include the reason for retirement and the method and date of disposition
- the request shall be forwarded to the Finance Director for removal of the asset from the Fixed Asset listing and Account

Subject

Discuss and consider action on a resolution amending the composition of the Public Art Advisory Subcommittee and receive a recommendation from the City Administrator for appointments to said subcommittee.

Recommendation

Approval of the resolution and appointment of the individuals listed below.

Discussion

Approving this resolution amends the Public Art Advisory Subcommittee by removing the limit on subcommittee members. Also, this amendment allows for a Council Liaison position, if one is desired.

As of April 3rd, nine individuals have expressed interest for participation in the Art Subcommittee. Of these, six have verified their commitment to be appointed. My recommendation is to appoint the following for a 2-year term from April 2025 through April 2027:

Pat Flathouse – Chairperson

Jeff Bush

Dita Dauti-Heilman

Jeanette Scott

Andrea Wolf

Mitch Wright

Beth South – Council Liaison

RESOLUTION NO. 2025-04-01

A RESOLUTION OF THE CITY OF WEST LAKE HILLS, TEXAS, AMENDING SECTION 3 – COMPOSITION AND APPOINTMENT OF THE PUBLIC ART ADVISORY SUBCOMMITTEE; AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, the City of West Lake Hills recognizes the importance of public art in enhancing the community's cultural identity, natural beauty, and sense of place; and

WHEREAS, the City seeks to create opportunities for public art displays that reflect the unique topography, scenic beauty, and Hill Country context of West Lake Hills; and

WHEREAS, the new municipal complex provides a significant opportunity to incorporate public art in designated areas of the building and its surrounding grounds, enriching the experience of residents, visitors, and employees; and

WHEREAS, the Public Art Advisory Subcommittee was established on February 26, 2025 to help ensure that public art programming aligns with the City's values, aesthetic standards, and community engagement goals.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WEST LAKE HILLS, TEXAS:

SECTION 1. ESTABLISHMENT OF THE PUBLIC ART ADVISORY SUBCOMMITTEE

On February 26, 2025, the City Council established a Public Art Advisory Subcommittee (the "Subcommittee") to guide and oversee the selection, installation, and maintenance of public art displays at the new municipal complex.

SECTION 2. PURPOSE AND RESPONSIBILITIES

The Subcommittee shall:

1. Advise the City Administrator on matters related to public art programming at the municipal complex.
2. Recommend policies and procedures for selecting and maintaining public art displays.
3. Encourage community engagement and input in the selection of public art.
4. Ensure that public art installations prioritize the representation of the West Lake Hills community, its beauty, unique topography, and Hill Country setting.
5. Identify appropriate locations for public art installations within the municipal complex and its grounds.
6. Collaborate with local and regional artists, arts organizations, and stakeholders to promote high-quality public art.

SECTION 3. COMPOSITION AND APPOINTMENT

1. The Subcommittee shall be composed of members appointed by the City Administrator with City Council approval.
2. Members shall serve two-year terms with no term limits and may be reappointed by the City Administrator with City Council approval.
3. The Subcommittee shall include representatives from the local arts community, design professionals, community leaders, and other interested stakeholders.
4. The Subcommittee may include a representative from the City Council as a liaison.

SECTION 4. MEETINGS AND PROCEDURES

1. The Subcommittee shall meet regularly as needed to fulfill its responsibilities.
2. The Subcommittee shall comply with the rules and procedures set forth by the City Administration.

SECTION 5. EFFECTIVE DATE

This Resolution shall be effective immediately upon passage.

PASSED & APPROVED this, the 9th day of April 2025.

RESOLUTION NO. 2025-04-03

A RESOLUTION OF THE CITY OF WEST LAKE HILLS, TEXAS, ESTABLISHING AN ARCHITECTURE ADVISORY COMMITTEE TO PROVIDE RECOMMENDATIONS ON DESIGN, REDEVELOPMENT, AND BUILT ENVIRONMENT INITIATIVES; SETTING FORTH ITS PURPOSE, RESPONSIBILITIES, AND COMPOSITION; AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, the City of West Lake Hills recognizes the importance of preserving the natural beauty, character, and architectural integrity of the community; and

WHEREAS, the City is considering redevelopment of certain key properties, such as 911 Westlake Drive, and wishes to ensure thoughtful planning that aligns with the community's values and desired aesthetic outcomes; and

WHEREAS, the City is undertaking comprehensive planning efforts that include residential assistance, improved multiuse paths, walkable streets, and enhanced commercial design guidelines; and

WHEREAS, establishing an Architecture Advisory Committee will allow for focused guidance on architectural quality, compatibility with the Hill Country setting, and innovative design solutions that balance function and form.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WEST LAKE HILLS, TEXAS:

SECTION 1. ESTABLISHMENT OF THE ARCHITECTURE ADVISORY COMMITTEE

There is hereby established an Architecture Advisory Committee (the "Committee") to provide guidance and recommendations to the City on architectural and design matters related to redevelopment and comprehensive planning initiatives.

SECTION 2. PURPOSE AND RESPONSIBILITIES

The Committee shall:

- Provide design input on redevelopment of City-owned or significant community properties, including but not limited to 911 Westlake Drive.
- Advise on best practices for preserving neighborhood character while addressing code compliance for residential and commercial development.

- Recommend strategies for integrating mixed-use and community-oriented features, such as shaded streets, walkable corridors, and connected commercial nodes.
- Evaluate aesthetic outcomes for developments in the context of West Lake Hills' topography and architectural identity.
- Explore innovative and context-sensitive approaches to zoning, code flexibility, and public-private development incentives.
- Serve as a sounding board for community engagement and design feedback.

SECTION 3. COMPOSITION AND APPOINTMENT

The Committee shall be composed of five to seven members appointed by the City Administrator with City Council approval. Members shall include:

- Local architects or design professionals.
- Community leaders or stakeholders with interest in land use and design.
- Residents with relevant experience or a passion for design and planning.

Members shall serve two-year terms with no term limits and may be reappointed.

SECTION 4. MEETINGS AND PROCEDURES

The Committee shall meet regularly, as needed, and shall comply with City rules and procedures regarding public meetings and documentation.

SECTION 5. EFFECTIVE DATE

This Resolution shall be effective immediately upon passage.

Subject

Discuss and consider a recommendation for city engineering services and authorize negotiations.

Recommendation

Staff recommend the selection of two firms, Colliers Engineering & Design and HR Green, to serve the city's engineering needs with each subject to a Master Services Agreement.

Discussion

The City of West Lake Hills issued a Request for Qualifications (RFQ) on February 14 for City Engineering Services. A total of eight (8) statements of qualification were submitted by the deadline (March 6) after which a staff committee reviewed and evaluated each submittal. Four firms were selected for interviews which were conducted on March 24.

From this process, two firms are recommended to enter into a Master Services Agreement (MSA). Generally, either firm could assist the city with a variety of engineering tasks to be defined later through subsequent task orders, but the Colliers team would handle the majority of "City Engineer" duties and fulfill the role of the "City Engineer" including development and drainage reviews. HR Green would initially focus on assisting the city with wastewater-related matters. Either firm could perform additional services as needs arise.

City Engineering

Recommendation

- Select two firms, each subject to Master Services Agreement
- Colliers – serve as City Engineer (development review, drainage)
- HR Green – focus on wastewater strategy and support

Exhibits:	<u>Slides</u>	Source of Funds:	<u>Child Safety Funds</u>

Subject

Discuss and consider action regarding pedestrian safety at the intersection of Bee Cave Road and Camp Craft Road.

Recommendation

Discuss and take action as appropriate.

Discussion

The intersection of Camp Craft Road at Bee Cave Road (RM 2244) receives significant pedestrian traffic and recently close calls have elevated concerns from residents and requests for improvements or other considerations to improve safety. Traffic controls and the operation and maintenance of the intersection is the responsibility of TxDOT but city staff coordinate frequently with TxDOT through the South Austin Area Office.

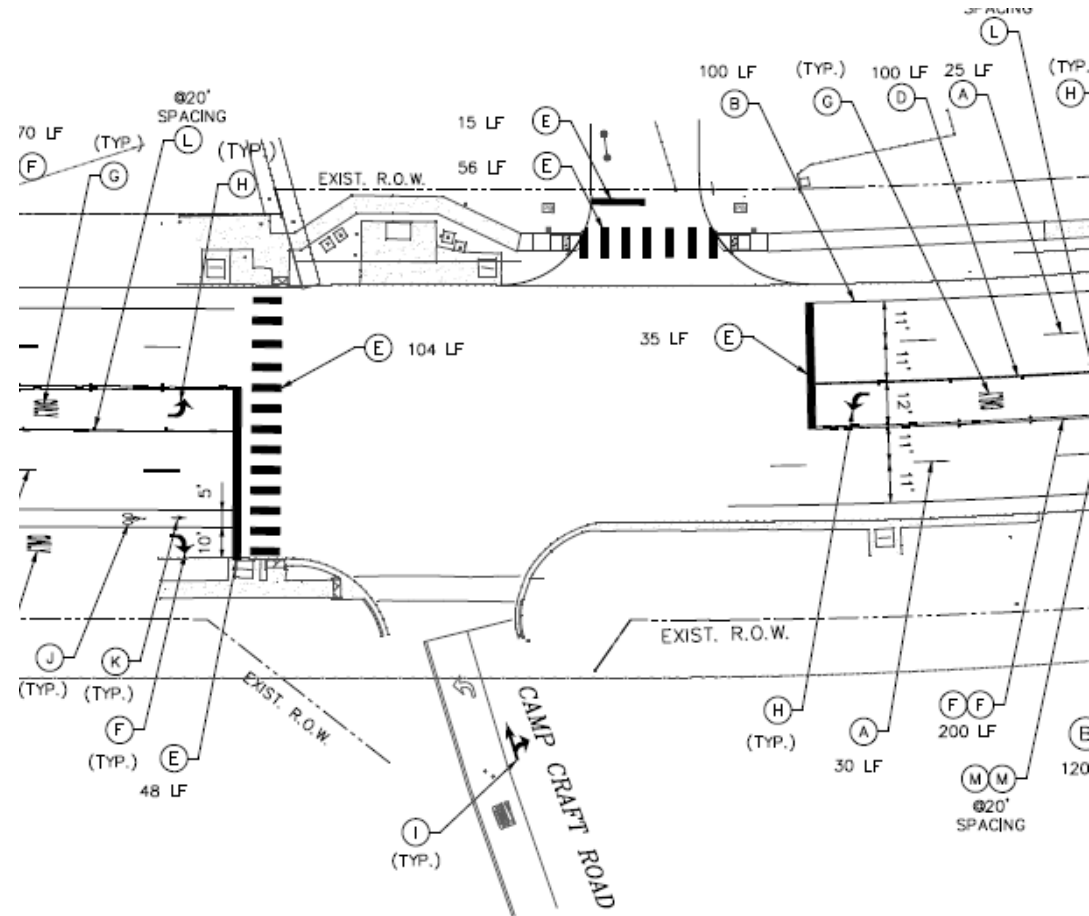

A meeting was held on March 25 at Eanes Elementary among the City of West Lake Hills, Eanes ISD and TxDOT to consider the issues and opportunities for improvements. Acknowledging that certain improvements are planned for the intersection associated with the new municipal complex, TxDOT proposed additional improvements. The scope of the work calls for moving the stop bars away from the intersection by 10 feet resulting in greater site distance and adapting the existing crosswalk from the old standard to the new “piano keys” standard. These changes will be implemented in conjunction with the City’s planned improvements in late April at an additional nominal cost.

Right turns on red are prohibited from Camp Craft Road to Bee Cave Road.

Operations will continue to be evaluated following the implementation of the agreed improvements if additional improvements or changes are warranted.

Subject

Discuss and consider preliminary recommendations associated with Travis County Safety Action Plan projects identified in West Lake Hills.

Recommendation

No action is being taken but additional input received from interested publics and City Council will be transmitted to Travis County.

Discussion

The City of West Lake Hills is participating with a multitude of other municipalities and Travis County to develop a safety action plan in effort to eliminate or significantly reduce fatalities and serious injuries on all roads for all users, including pedestrians, cyclists, public transportation users and motorists.

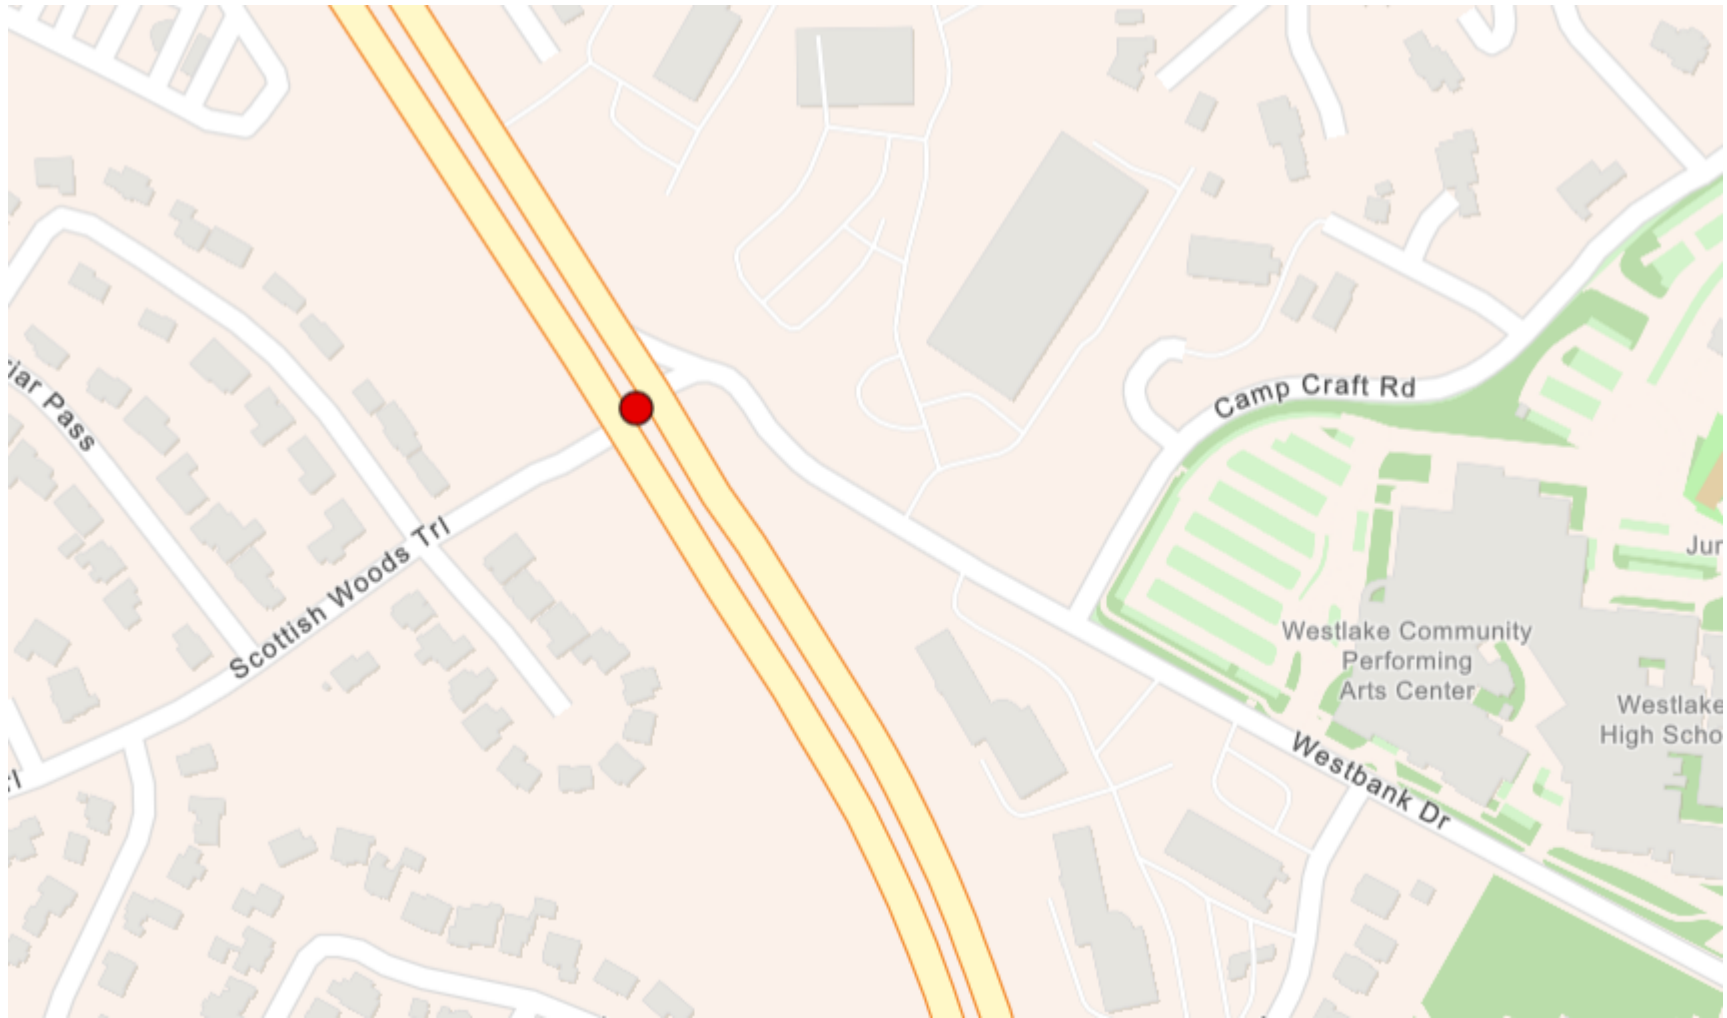

While County staff anticipate adoption of the plan by Commissioners Court in late May or early June, the City of West Lake Hills is working with the project team led by Travis County to generate additional feedback related to the planning efforts. The interactive map with draft project locations and informational pop-up boxes on the SS4A website is still operational. The website link is <https://www.tctxsafestreets4all.com/>.

Residents may review the website and submit any additional projects or comments to cityadmin@westlakehills.gov by April 11. Comments received will be incorporated into the City of West Lake Hills portion of the planning document.

Subject

Discuss and consider approving quotes from McCoy Rockford for the purchase of furniture, fixtures and equipment for the new municipal complex and authorize the City Administrator to execute all documents.

Recommendation

Approval. Authorizing the City Administrator to execute contracts for the purchase of furniture, fixtures and equipment.

Discussion

The City's new municipal complex is currently under construction and slated for substantial completion in June and final completion in July. Move-in is planned within 30 days of final completion.

The project budget established \$608,000 for the furniture, fixtures and equipment budget (FFE). Of this, \$524,000 is allocated toward furniture. This assumed new furniture at \$30/sf based on 17,480 sf and does not consider the liquidation of any existing FFE that will not be relocated.

Attached are two budgetary quotes. The first is related to the demountable walls associated with the municipal court staff area for \$22,378.26. The second includes all other furnishing, fixtures and equipment for \$286,762.98. Together totaling \$309,141.24.

Pricing provided is based on various cooperative purchasing contracts available to the City of West Lake Hills as shown below:

- **TXMAS:** Sit On It, Steelcase, and Global
- **Steelcase TrueBlue:** Bludot and some non-TXMAS Steelcase items
- **Omnia:** OFS
- **BuyBoard:** Smith Systems

A number of items will be utilized in the new building, but the existing FFE not proposed in the new building will be liquidated to the extent possible.

Uniform Conditions of Sale

1. These Uniform Conditions of Sale shall apply to every sale or offer of goods or services by McCoy Rockford, Inc. (and any of its operating divisions or affiliated companies) ("Seller") to any party that purchases goods or receives services from Seller (each, a "Customer"). Pursuant to these Uniform Conditions of Sale, Customer may issue a request to Seller for goods or services (each request being a separate "Order").
2. These Conditions of Sale, together with the Application for Credit and the written terms of the quote provided by Seller (if any), shall collectively constitute the "Contract" with regards to each Order. This Contract contains all of the terms of the purchase and no attempted modification or amendment (including, but not limited to form terms included in Customer's purchase order or acknowledgement) shall be valid unless it is signed by an officer of Seller.
3. Customer's act of signing the quote, accepting the work, or paying for any portion of the work shall constitute an acceptance of the Contract with regards to such Order. If a quote is provided to Customer, the price offered by Seller to Customer for the quantity and type of goods or services listed in the quote shall remain open for a period of thirty (30) days before automatically expiring. Seller may withdraw or modify a quote any time before receipt of the required deposit. Any quote provided is subject to supplier, transportation, and/or government surcharges, fees, taxes or similar charges imposed by others, and which are passed through to Customer which may increase the cost.
4. The purchase price is based on the installation being made during the normal eight-hour, five-day workweek, excluding holidays. If installation is required outside of this, it will be done at premium rates. Additional charges will be billed to Customer if free and ready access to job site is not provided by Customer.
5. **All cash term orders require 100% deposit prior to order being processed. Customer can request credit with Seller for orders. A deposit for work depends on qualification but is at least 65% of the total Order amount.**
6. Seller may invoice Customer periodically based on the percentage of the work complete or quantity of goods delivered in accordance with Seller's standard practices. **Customer agrees to pay Seller any and all payments due within thirty (30) days from Customer's receipt of an invoice.** Notwithstanding the foregoing, the Parties may agree to a longer payment schedule or the issuance of invoices only upon reaching agreed-to milestones if such terms are provided for in Seller's written quote (subject to credit approval for the same). Outstanding amounts shall bear interest at the lesser of (i) one and one-half percent (1½%) per month or (ii) the maximum rate allowed by law. Customer shall also pay any and all of Seller's attorneys' fees and court costs if any amounts hereunder are collected by an attorney or through legal proceedings. **ALL purchases made with credit cards are subject to a 3.5% processing fee that Customer is responsible for paying, unless specified by a special agreement.**
7. All merchandise is specifically manufactured to Customer's specification and therefore, Orders cannot be suspended, cancelled, or returned by Customer under any circumstances without Seller's written consent after acceptance of the quote. If a cancellation or return is agreed upon, the returned items are subject to a restocking charge at Seller's standard rates (and/or manufacturer's standard rates if returned to the manufacturer) up to one hundred percent (100%) of the Order value.
8. Risk of loss for any work shall pass to Customer upon delivery (regardless of when title passes), including, but not limited to any loss or damage caused by other trades (such as painting or plastering), telephone installation, or the elements. **CUSTOMER AGREES TO INDEMNIFY, DEFEND, RELEASE AND HOLD SELLER HARMLESS FROM ANY CLAIMS ARISING OUT OF PROPERTY DAMAGE OR PERSONAL INJURY TO CUSTOMER, CUSTOMER'S AFFILIATES, OR CUSTOMER'S EMPLOYEES, AGENTS OR INVITEES WHICH OCCURS AFTER DELIVERY, REGARDLESS OF THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR FAULT OF SELLER (but expressly excluding from this indemnity Customer's warranty claims under Paragraph 11 to the extent such loss or damage is covered thereby).** The delivery terms for the Order shall be those provided for in Seller's written quote to customer. Upon delivery, Customer shall immediately inspect the products for conformity and visible defects.
9. If Customer is not ready to receive the Order, merchandise will be stored at Seller's warehouse at Seller's current storage rate per 30-day period unless otherwise provided by Seller in writing as part of

the Contract. Double handling will be charged for all merchandise redirected to Seller's warehouse. Customer will not be responsible for storage incurred as a result of manufacturer order errors. Seller shall not be responsible for damage to completed Orders in Seller's storage as a result of Customer's inability or unwillingness to accept delivery and Customer shall **DEFEND, INDEMNIFY, RELEASE AND HOLD HARMLESS SELLER FOR ANY CLAIMS RESULTING FROM DAMAGE TO THE ORDER WHILE SUCH ORDER IS IN STORAGE WITH SELLER REGARDLESS OF THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR FAULT OF SELLER.**

10. **SELLER'S LIMITED WARRANTY.** Goods purchased under each Order are warranted by the manufacturer's warranty applicable to such goods at time of Order entry. Seller will support Customer in processing of warranty claims with the manufacturer and provide necessary service to complete warranted repairs as approved by manufacturer. Seller shall not be held liable for a warranty claim rejected by manufacturer. The Seller is the service provider for all manufacturer warranty claims on merchandise sold. All warranties for goods shall follow the individual manufacturer warranty. Additionally, if Customer directs Seller to use a manufacturer or contractor who will perform manufacturing or delivery of goods to be used, Buyer assumes the risk for any failure by that manufacturer or contractor to deliver the goods or refund for the failure of delivery.

Subject to the preceding, Seller warrants to the original purchaser that all work will conform to the written specifications and will be free from defects in installation or material for twelve (12) months from delivery. The work shall be subject to reasonable variations from standard in color, quality, finish, and variations allowed by the trade customs of the industry. Seller will re-perform, repair, or replace goods failing to meet the above warranties that arise during, and are reported in writing before the expiration of, the warranty period. These warranties shall not apply to normal punch list completion work.

SELLER HEREBY DISCLAIMS ALL OTHER WARRANTIES OR REPRESENTATIONS NOT EXPRESSLY CONTAINED HEREIN AND CUSTOMER AGREES THAT NO OTHER WARRANTIES OR REPRESENTATIONS HAVE BEEN RELIED UPON OR MADE THE BASIS FOR ANY BARGAIN. CUSTOMER'S EXCLUSIVE REMEDY FOR NON-CONFORMING, DEFECTIVE, OR DEFICIENT GOODS OR SERVICES (WHETHER BASED ON CONTRACT, IN TORT, OR OTHERWISE) IS SELLER'S EXPRESS WARRANTY TO REPAIR, RE-PERFORM, OR REPLACE PROVIDED ABOVE.

11. LIMITATION OF LIABILITY:

- A. **NEITHER PARTY HERETO SHALL BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES REGARDLESS OF THE NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT (EITHER SOLE OR CONCURRENT) OF EITHER PARTY AND EACH PARTY HEREBY RELEASES THE OTHER IN THIS REGARD.**
- B. **THE MAXIMUM AGGREGATE LIABILITY OF SELLER FOR ANY LOSS OR DAMAGE OF ANY KIND TO SELLER SHALL NOT EXCEED THE AMOUNT RECEIVED BY SELLER FROM CUSTOMER FOR THE ORDER. THIS LIMITATION OF LIABILITY SHALL APPLY REGARDLESS OF FAULT AND REGARDLESS OF WHETHER SUCH CLAIM IS BASED UPON CONTRACT, WARRANTY, INDEMNITY, TORT/EXTRA-CONTRACTUAL LIABILITY (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE.**

12. Seller shall not be liable for any failure, delay, or interruption in performance of this Contract which is occasioned by causes beyond its control, including, but not restricted to: fires, floods, pandemics, strikes, lock-outs, labor disputes, accidents, interruptions in transportation services, shortage of raw materials, failure to obtain delivery from manufacturers, any ruling, regulation, or law of any government bureau or agency, or any other cause giving rise to total or partial stoppage to Seller's supplies. Delays so caused shall not release Customer from its obligations to accept and pay for merchandise.

13. This agreement shall be governed by and construed in accordance with the laws of the State of Texas, excluding any choice of law rules that would apply the law of another jurisdiction. In the event of litigation or arbitration, venue shall lie in Houston, Harris County, Texas and each party agrees to submit to the jurisdiction of the courts located therein.

14. Any credit offered for future purchases shall expire if not used within ninety (90) days.

Uniform Conditions of Sale

1. These Uniform Conditions of Sale shall apply to every sale or offer of goods or services by McCoy Rockford, Inc. (and any of its operating divisions or affiliated companies) ("Seller") to any party that purchases goods or receives services from Seller (each, a "Customer"). Pursuant to these Uniform Conditions of Sale, Customer may issue a request to Seller for goods or services (each request being a separate "Order").
2. These Conditions of Sale, together with the Application for Credit and the written terms of the quote provided by Seller (if any), shall collectively constitute the "Contract" with regards to each Order. This Contract contains all of the terms of the purchase and no attempted modification or amendment (including, but not limited to form terms included in Customer's purchase order or acknowledgement) shall be valid unless it is signed by an officer of Seller.
3. Customer's act of signing the quote, accepting the work, or paying for any portion of the work shall constitute an acceptance of the Contract with regards to such Order. If a quote is provided to Customer, the price offered by Seller to Customer for the quantity and type of goods or services listed in the quote shall remain open for a period of thirty (30) days before automatically expiring. Seller may withdraw or modify a quote any time before receipt of the required deposit. Any quote provided is subject to supplier, transportation, and/or government surcharges, fees, taxes or similar charges imposed by others, and which are passed through to Customer which may increase the cost.
4. The purchase price is based on the installation being made during the normal eight-hour, five-day workweek, excluding holidays. If installation is required outside of this, it will be done at premium rates. Additional charges will be billed to Customer if free and ready access to job site is not provided by Customer.
5. **All cash term orders require 100% deposit prior to order being processed. Customer can request credit with Seller for orders. A deposit for work depends on qualification but is at least 65% of the total Order amount.**
6. Seller may invoice Customer periodically based on the percentage of the work complete or quantity of goods delivered in accordance with Seller's standard practices. **Customer agrees to pay Seller any and all payments due within thirty (30) days from Customer's receipt of an invoice.** Notwithstanding the foregoing, the Parties may agree to a longer payment schedule or the issuance of invoices only upon reaching agreed-to milestones if such terms are provided for in Seller's written quote (subject to credit approval for the same). Outstanding amounts shall bear interest at the lesser of (i) one and one-half percent (1½%) per month or (ii) the maximum rate allowed by law. Customer shall also pay any and all of Seller's attorneys' fees and court costs if any amounts hereunder are collected by an attorney or through legal proceedings. **ALL purchases made with credit cards are subject to a 3.5% processing fee that Customer is responsible for paying, unless specified by a special agreement.**
7. All merchandise is specifically manufactured to Customer's specification and therefore, Orders cannot be suspended, cancelled, or returned by Customer under any circumstances without Seller's written consent after acceptance of the quote. If a cancellation or return is agreed upon, the returned items are subject to a restocking charge at Seller's standard rates (and/or manufacturer's standard rates if returned to the manufacturer) up to one hundred percent (100%) of the Order value.
8. Risk of loss for any work shall pass to Customer upon delivery (regardless of when title passes), including, but not limited to any loss or damage caused by other trades (such as painting or plastering), telephone installation, or the elements. **CUSTOMER AGREES TO INDEMNIFY, DEFEND, RELEASE AND HOLD SELLER HARMLESS FROM ANY CLAIMS ARISING OUT OF PROPERTY DAMAGE OR PERSONAL INJURY TO CUSTOMER, CUSTOMER'S AFFILIATES, OR CUSTOMER'S EMPLOYEES, AGENTS OR INVITEES WHICH OCCURS AFTER DELIVERY, REGARDLESS OF THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR FAULT OF SELLER (but expressly excluding from this indemnity Customer's warranty claims under Paragraph 11 to the extent such loss or damage is covered thereby).** The delivery terms for the Order shall be those provided for in Seller's written quote to customer. Upon delivery, Customer shall immediately inspect the products for conformity and visible defects.
9. If Customer is not ready to receive the Order, merchandise will be stored at Seller's warehouse at Seller's current storage rate per 30-day period unless otherwise provided by Seller in writing as part of

the Contract. Double handling will be charged for all merchandise redirected to Seller's warehouse. Customer will not be responsible for storage incurred as a result of manufacturer order errors. Seller shall not be responsible for damage to completed Orders in Seller's storage as a result of Customer's inability or unwillingness to accept delivery and Customer shall **DEFEND, INDEMNIFY, RELEASE AND HOLD HARMLESS SELLER FOR ANY CLAIMS RESULTING FROM DAMAGE TO THE ORDER WHILE SUCH ORDER IS IN STORAGE WITH SELLER REGARDLESS OF THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR FAULT OF SELLER.**

10. **SELLER'S LIMITED WARRANTY.** Goods purchased under each Order are warranted by the manufacturer's warranty applicable to such goods at time of Order entry. Seller will support Customer in processing of warranty claims with the manufacturer and provide necessary service to complete warranted repairs as approved by manufacturer. Seller shall not be held liable for a warranty claim rejected by manufacturer. The Seller is the service provider for all manufacturer warranty claims on merchandise sold. All warranties for goods shall follow the individual manufacturer warranty. Additionally, if Customer directs Seller to use a manufacturer or contractor who will perform manufacturing or delivery of goods to be used, Buyer assumes the risk for any failure by that manufacturer or contractor to deliver the goods or refund for the failure of delivery.

Subject to the preceding, Seller warrants to the original purchaser that all work will conform to the written specifications and will be free from defects in installation or material for twelve (12) months from delivery. The work shall be subject to reasonable variations from standard in color, quality, finish, and variations allowed by the trade customs of the industry. Seller will re-perform, repair, or replace goods failing to meet the above warranties that arise during, and are reported in writing before the expiration of, the warranty period. These warranties shall not apply to normal punch list completion work.

SELLER HEREBY DISCLAIMS ALL OTHER WARRANTIES OR REPRESENTATIONS NOT EXPRESSLY CONTAINED HEREIN AND CUSTOMER AGREES THAT NO OTHER WARRANTIES OR REPRESENTATIONS HAVE BEEN RELIED UPON OR MADE THE BASIS FOR ANY BARGAIN. CUSTOMER'S EXCLUSIVE REMEDY FOR NON-CONFORMING, DEFECTIVE, OR DEFICIENT GOODS OR SERVICES (WHETHER BASED ON CONTRACT, IN TORT, OR OTHERWISE) IS SELLER'S EXPRESS WARRANTY TO REPAIR, RE-PERFORM, OR REPLACE PROVIDED ABOVE.

11. LIMITATION OF LIABILITY:

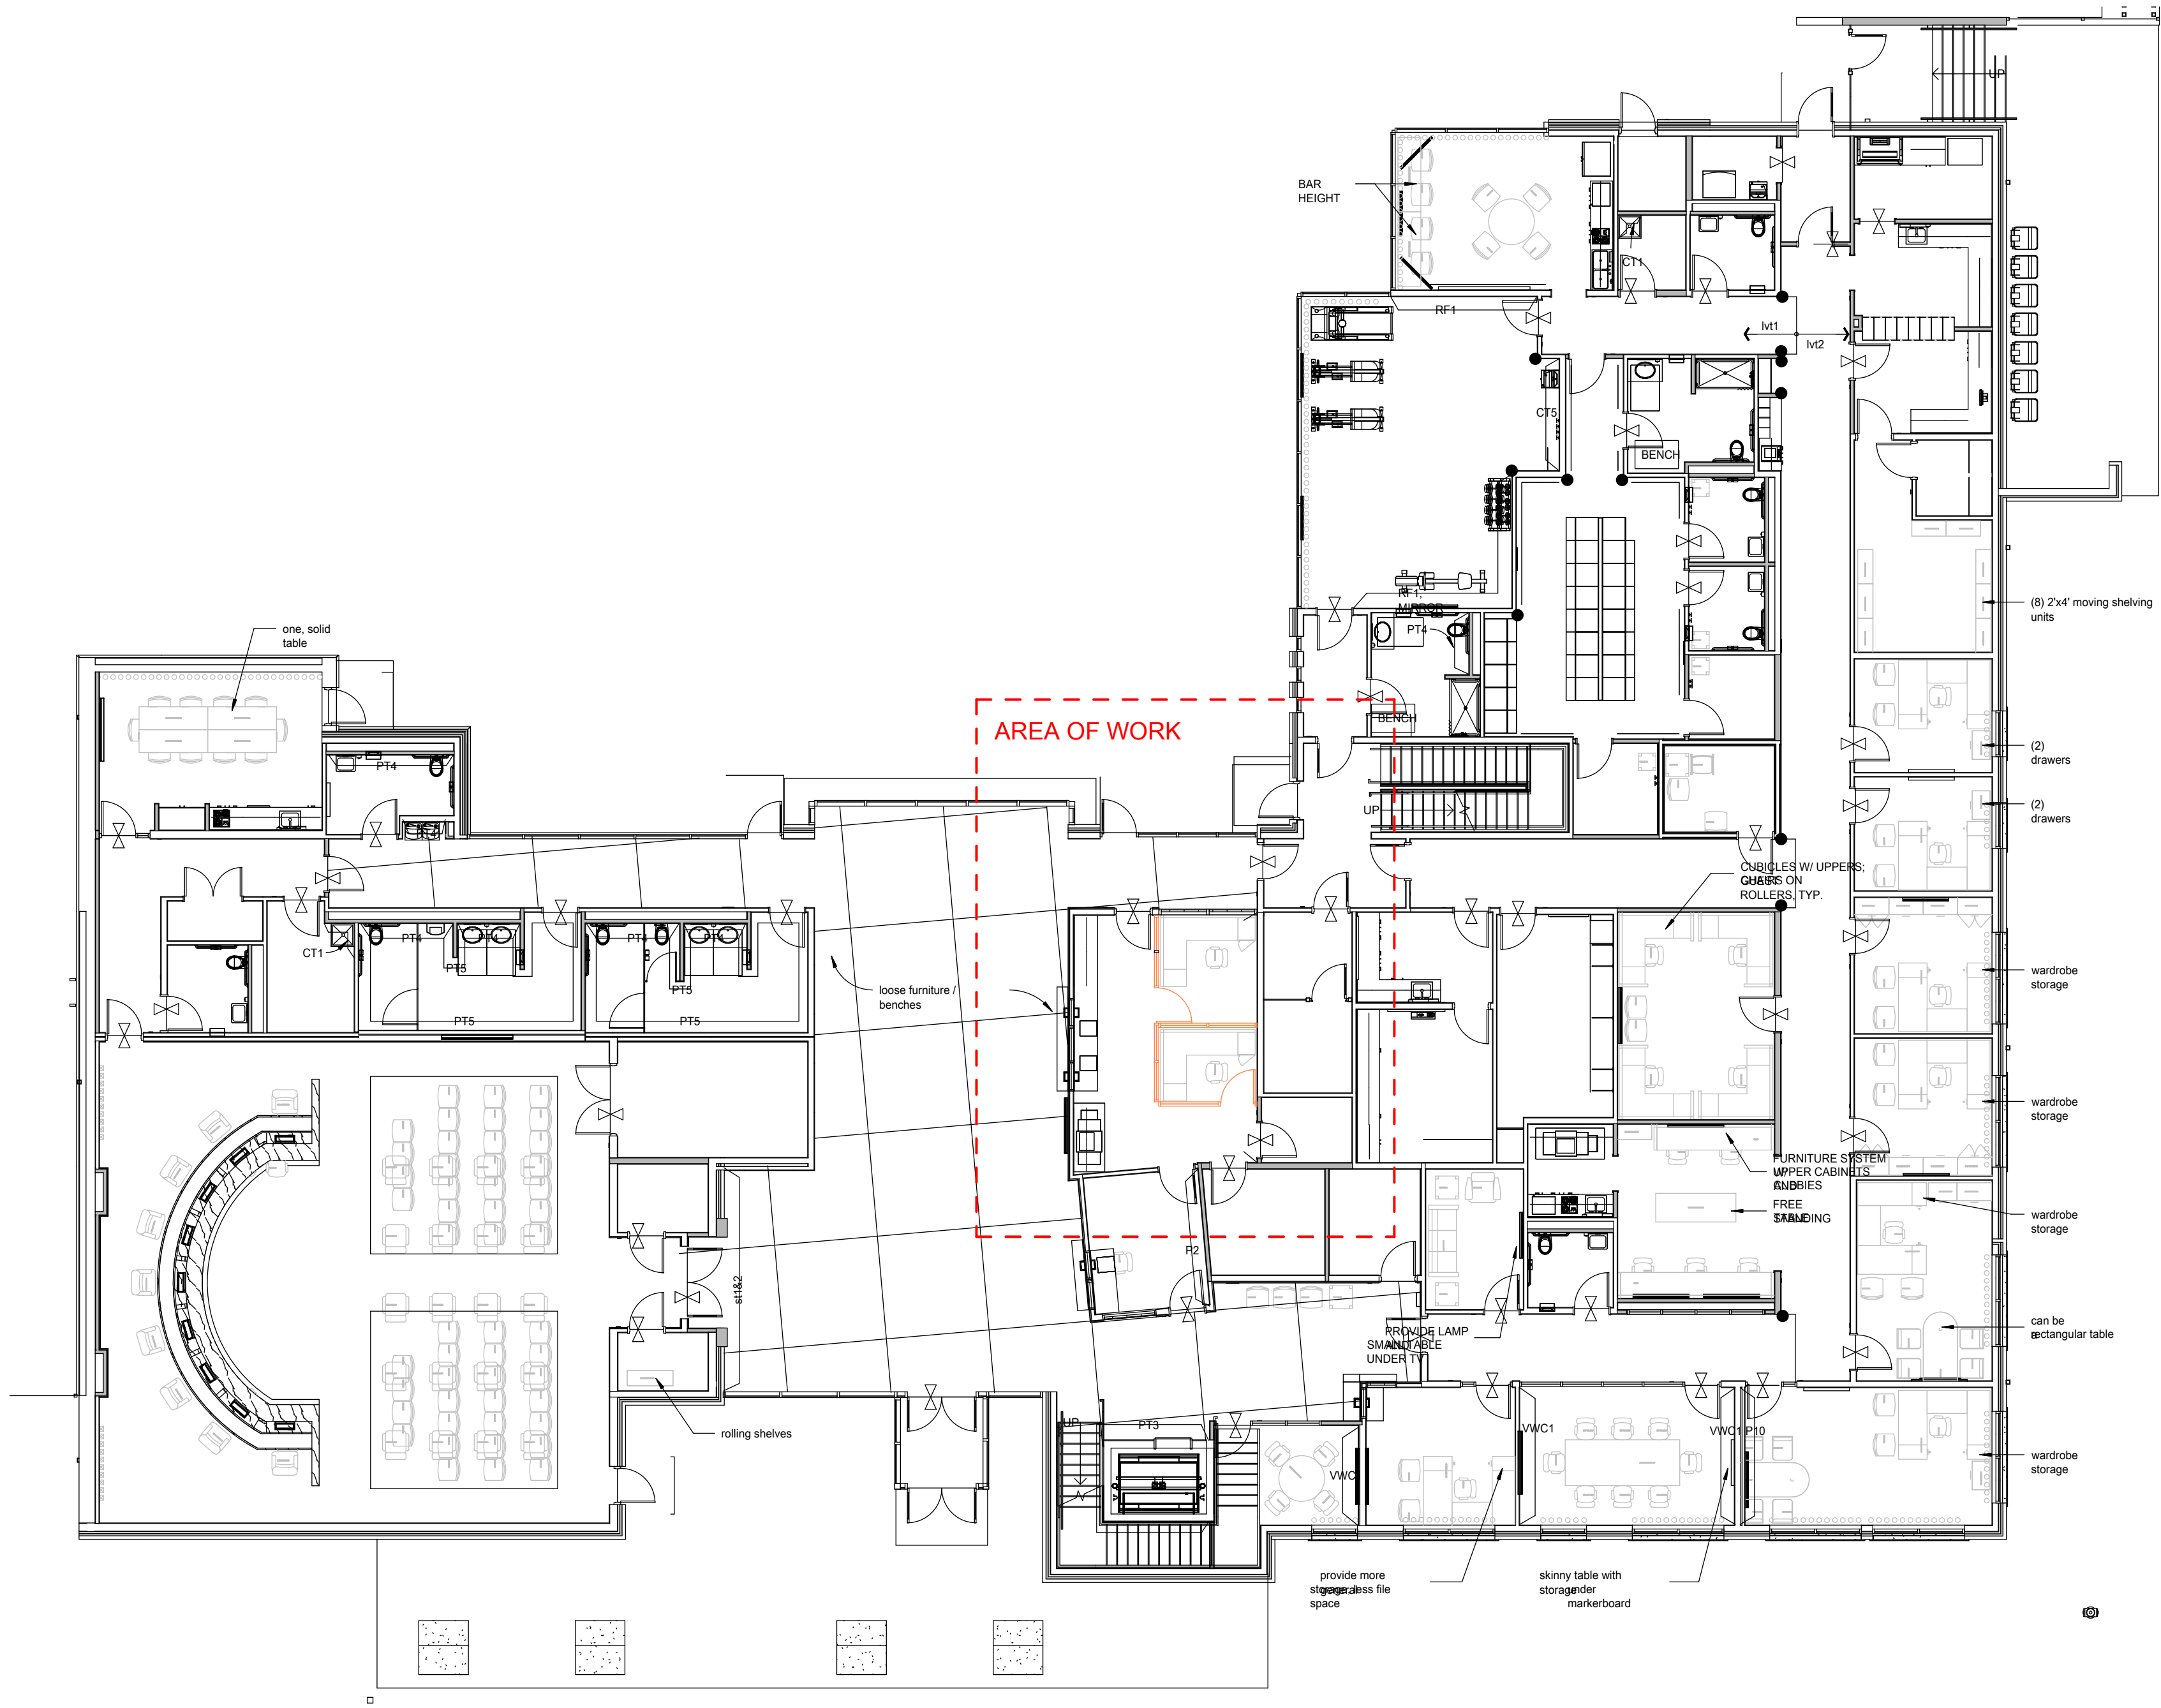

- A. **NEITHER PARTY HERETO SHALL BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES REGARDLESS OF THE NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT (EITHER SOLE OR CONCURRENT) OF EITHER PARTY AND EACH PARTY HEREBY RELEASES THE OTHER IN THIS REGARD.**
- B. **THE MAXIMUM AGGREGATE LIABILITY OF SELLER FOR ANY LOSS OR DAMAGE OF ANY KIND TO SELLER SHALL NOT EXCEED THE AMOUNT RECEIVED BY SELLER FROM CUSTOMER FOR THE ORDER. THIS LIMITATION OF LIABILITY SHALL APPLY REGARDLESS OF FAULT AND REGARDLESS OF WHETHER SUCH CLAIM IS BASED UPON CONTRACT, WARRANTY, INDEMNITY, TORT/EXTRA-CONTRACTUAL LIABILITY (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE.**

12. Seller shall not be liable for any failure, delay, or interruption in performance of this Contract which is occasioned by causes beyond its control, including, but not restricted to: fires, floods, pandemics, strikes, lock-outs, labor disputes, accidents, interruptions in transportation services, shortage of raw materials, failure to obtain delivery from manufacturers, any ruling, regulation, or law of any government bureau or agency, or any other cause giving rise to total or partial stoppage to Seller's supplies. Delays so caused shall not release Customer from its obligations to accept and pay for merchandise.

13. This agreement shall be governed by and construed in accordance with the laws of the State of Texas, excluding any choice of law rules that would apply the law of another jurisdiction. In the event of litigation or arbitration, venue shall lie in Houston, Harris County, Texas and each party agrees to submit to the jurisdiction of the courts located therein.

14. Any credit offered for future purchases shall expire if not used within ninety (90) days.

SHOP DRAWING GENERAL NOTES

- General Notes for PRIVACY WALL:
1. These drawings are based on ADDENDUM #2 DATED 04/23/24 and CLIENTS NOTES 03/12/25.
 2. All dimensions are center to center unless otherwise noted on the drawing.
 3. All Floors, ceilings and adjacent walls must be finished prior to commencement of Installation.
 4. All material will be provided per the specified finishes and styles indicated on these drawings. Any changes in scope may result in additional cost and schedule impact.
 5. Product will not be released for manufacturing until these drawings have been approved and field dimensions have been taken. In the event field dimensions cannot be taken and the customer agrees to use hold to dimensions, customer acknowledges said dimensions shall match all approved dimensions on these shop drawings.
 6. Any factory cutouts that need provided, shall be located and dimensioned by the owner/architect on these shop drawings. In the event additional cutouts are required, those will be done in the field at additional cost and schedule impact.
 7. The final termination of all power will be provided by others. Any power, data, thermostat, low voltage, etc. that will be added in Steelcase walls must be coordinated/sequenced with the wall schedule. Additional labor will be incurred if separate schedule is required.
 8. Voice Data, Audiovisual (V/D, AV) T-Stat or other wiring will be provided by others. Coordination of these devices and wires shall be done by others in conjunction with the Steelcase or Dealer's P.M.
 9. All symbols, shading or hatching in no way represents the actual appearance of the product material. Finish samples are available upon request.
 10. When Required, seismic bracing requirements, associated engineering calculations and permitting are the responsibility of the structural engineer of record. Unless specifically called out in these drawings, any additional bracing for structural support is not included in this scope of work.
 11. The only material supplied by McCoy Rockford is the product in the Bill of Materials from the layout requested.
 12. Traditional construction walls must be built plumb and straight to align correctly with premanufactured glass fronts.
