PRESS RELEASE

For Immediate Release:

With the recent order by Travis County prohibiting public gatherings and in exercising an abundance of caution, Mayor Anthony and the City Council of the City of West Lake Hills are cancelling all City meetings including any City-sponsored events through Wednesday, April 1st 2020. We have limited staff resources on-site but will make every attempt to conduct normal business during this critical time.

As this situation evolves, the City will make additional decisions on future meetings and events as required. We're monitoring the situation closely and providing information we receive from our local government partners and healthcare providers. With everyone working together, we hope to mitigate and prevent the spread of this disease. We urge everyone to help prevent the spread of respiratory viruses, including influenza and COVID-19, by following these measures:

- *Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.*
- *Avoid touching your eyes, nose and mouth with unwashed hands.*
- *Avoid close contact with people who are sick.*
- *Stay home when you are sick.*
- *Cough or sneeze into your elbow or use a tissue to cover it, then throw the tissue in the trash.*
- *Clean and disinfect frequently touched objects and surfaces.*

Additional information regarding recent Travis County orders and general information on area closings can be found on their website: www.traviscountytx.gov/news/2020/1945-covid-19

Eanes Independent School District (ISD) determines their specific course of action and will provide updates regarding school closures and other communication via their website: www.eanesisd.net/

The City of West Lake Hills website will be updated with future closings and/or cancellations as needed. www.westlakehills.org/
